Citizens of the Future

It was the first day of school and we were sophomores. The bell rang — it was the first time we had heard that bell — and we turned and looked at Tee-Jay. Oh! The front steps were so large, so wide and tall — so cold. Awed, we went up them and entered the door. There were so many people everywhere we felt lost. The halls were so long, the doors so many, the rooms so mixed up. And it took several years of walking in and out those doors, up and down the steps and through the halls to get to know Tee-Jay. But we worked hard, and we learned. Now the halls have come to be quite short, the rooms familiar, and the front steps definitely friendly and warm. For Tee-Jay has been a part of us and we have been Tee-Jay.

Now we stand at the bottom of another flight of steps. These steps go far higher than those we first ascended a few years ago. There will be many more people on these steps, and there will be many halls and passages. The innumerable doors will open on much more varied scenes. However, we do not stand in awe, for we have learned how to climb high, how to move among people, and we shall open the right doors and enter new environments with confidence and determination.

TO MRS. RUTH PAUL BROWNING, THEIR SPONSOR,
THE CLASS OF 1944 WISH TO EXPRESS THEIR LOVE
AND SINCERE APPRECIATION FOR HER UNSELFISH
DEVOTION OF TIME AND ENERGY TO THEIR HAPPI-
NESS AND SUCCESS.

SENIOR CLASS HISTORY

To the past of the class of '44

We now throw open wide the door.

The radio system made its greetings

With news of games and daily meetings.

Mrs. Browning was our selection

For sponsor of the sophomore section.

Southworth, Ellison, Griffith, and Stairs

Were chosen to manage our sophomore affairs.

A friendly hello, a cheery smile —

For us Hello Week was well worth while .

Good-looking, popular, smart, and athletic —

Our sophomore contest proved really prophetic.

With hopes of fun and sparkling romance

Everyone went to the Sophs' Tea Dance.

The Cavalier Arena opened its gate

To all of us who wished to skate.

Jack and Vint led the Juniors well;

With Griffith and Goode all was swell.

At the beginning of our Junior term

Came Mr. Hancock, friendly but firm.

The Senior-Junior was a dream;

That dance was really "on the beam"!

With great to do and much delight

We put on a "wang-bang" Junior Stunt Night.

With a figure led by Dorset and Jack

The Junior-Senior had nothing to lack.

As acting sponsor Miss Farley was dandy,

For many ideas she always had handy.

The Senior-Junior was simply grand

With Mr. Wendt and a soldier band.

The Senior Party was lots of fun

With games and eats for everyone.

The Senior officers their duties pursued —

Williams, Matchunis, Headlee, and Goode.

The waltz, the rhumba, the Lindy hop

Put the Big Spring dance right over the top.

The place, the gym; the hour, nine —

The Junior-Senior was "simply divine."

With rollicking gaiety, laughter, and fun

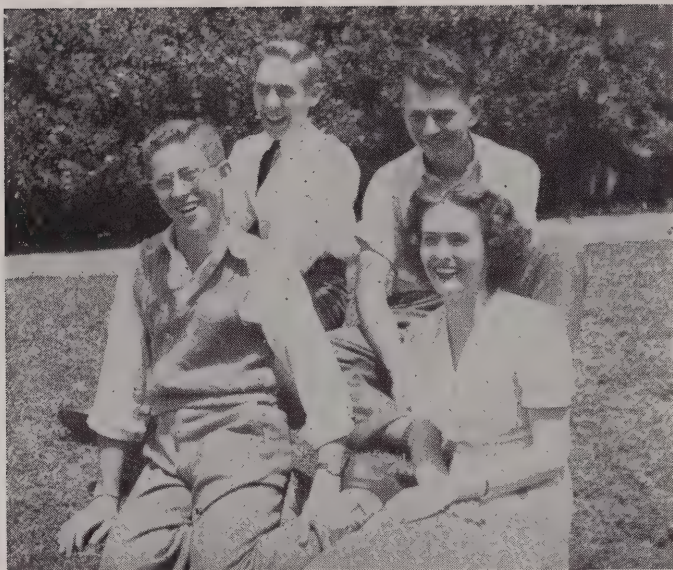

Our Senior picnic was too soon done.

And now, with mem'ries we close the door

On the past of the class of '44.

For School... For Democracy

. . . "The meeting will please come to order."

Does not that request project familiar scenes for you on memory's screen? . . . The Latin Club is meeting; there are Latin games and talks, with funny mistakes. The Senate or House of Representatives is assembled to discuss measures for the good of the school (and you are enjoying a fellow member's company). There is a heated debate on in the Forum and you feel like taking a poke at one obstinate fellow. An inspiring speaker is before the Honor Society. . . . Years must pass to blur these clear pictures.

. . . "The meeting will please come to order."

The leaders of the world in tiny spheres of influence and in large ones, in hidden caves and in great halls; in committee meetings and legislative bodies are calling to order meetings of people who have organized to do something together. They are gathering in a private home to discuss a movement, or perhaps in a public building to plan a community project, in a hidden cellar to plot sabotage, or in a nation's capitol to help run a country.

On a smaller scale so have we done at Tee-Jay. As individuals we have learned the art of service; as a unit we have appreciated the value of organization.

COLOR GUARD

...COMPANY, FALL IN, FORWARD, MARCH!

With such commands, drill began. Off we went, marching erect to strict tempo. There was a look of pride in our eyes — pride in ourselves, in our country, in our corps. Yes, we were proud. We had a right to be proud, for we were part of a top-rated unit, and we were working hard and long to make it even better.

We did not all appreciate then the value of our cadet training. Now, however, we know it has helped us. We have learned to be neat in appearance and to respect those to whom respect is due. And because we know how to take orders, to be guided, to be helped, we know how to order others, to lead, to guide and to help them.

For Success in Competition

"Jeffersonians,

Jeffersonians . . .

Fight to win this game!"

Thus has the band stirred us and thus have we sung in hearty encouragement. For many years the reverberations of our school song will echo and re-echo in the chambers of our memory, causing the great contests of the red-and-white teams to be fought again.

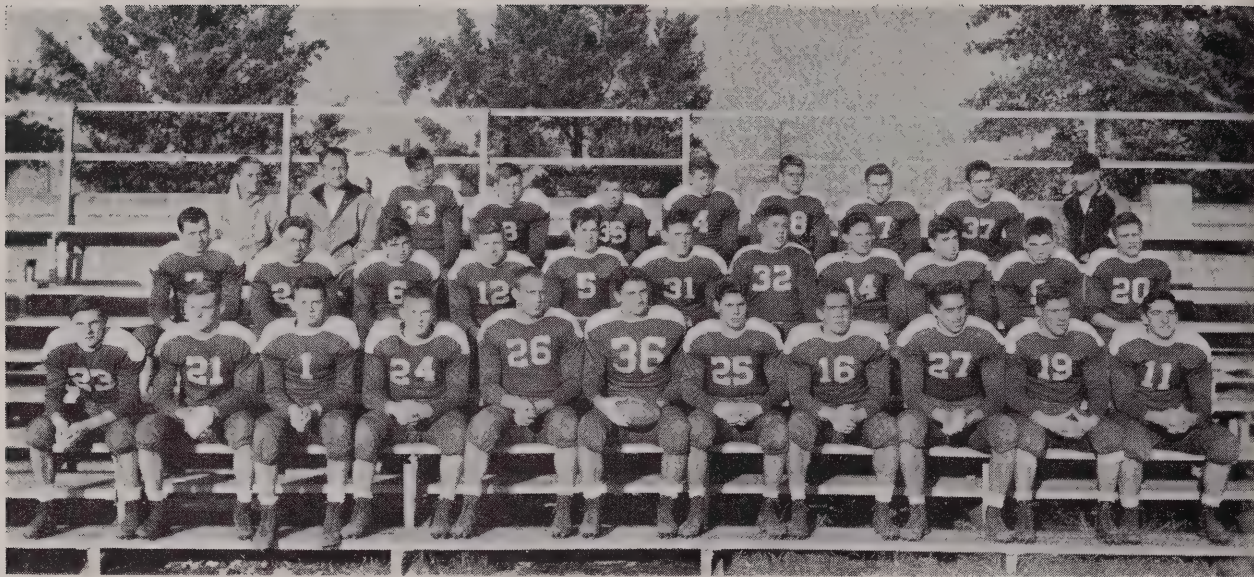

We have experienced and we have heard the cheers, the songs, the whistle, the gun, the groans, the laughs, and the yells. We have felt and we have seen the crushing body contact, the straining eagerness, the heartbreak of defeat and the glory of triumph, the hoarseness from cheering, and the will to win.

Those of us who watched will never forget the battles.

Those of us who played . . . who won, who lost . . . who stopped only with the final whistle . . . will never forget what athletics has demanded and what time will reward . . . perserverance.

TEE-JAY WINS STATE CHAMPIONSHIP

Jeffs Wallop Justices 25-0

On November 13 Thomas Jefferson defeated its cross-town rival 25-0. Throughout the game the Jeffs outplayed J. M. Only in the first quarter was Tee-Jay scoreless.

Tee-Jay's first score came in the second period after a 74 yard drive, with Yarborough scoring. On the kickoff opening the second half the ball bounced, hit a member of John Marshall's team, and was recovered by Tee-Jay. After taking a penalty, Tee-Jay was forced to kick. Yarborough got off a punt which went outside on J. M.'s one yard line. Sherrod tried to kick the Justices out of this hole, but Stanley crashed through and blocked the punt. Perkins recovered for a touchdown. In the fourth period the Jeffs were forced to punt. Yarborough again kicked to the one yard line. Buhrman tried to punt, but Hungerford blocked the attempt and again Perkins recovered for a touchdown. In the last period Smith recovered a Justice fumble on the 17. J. M. held, but a penalty against them placed the ball on the two and Jack went over to score. After the kick-off, the Justices made gains, but they were stalled, and the game ended 25-0.

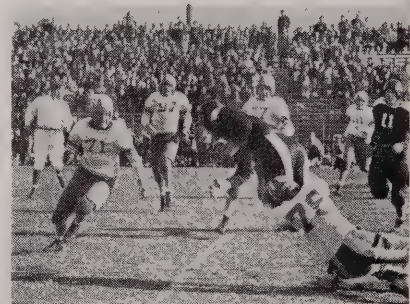

Gridders Post 9-1 Record

On September 27 Thomas Jefferson defeated Morrison, 13-0. Rather than run one squad throughout the game, Coach Carmack decided to give every man a chance so he could judge his ability on the field.

Jeffs Drub Geo. Washington 24-7

Tee-Jay showed a powerful and well-balanced team in defeating Alexandria. The Jeffs' first score came on a trick play featuring a long run by Paul Jack. In the second quarter Hungerford scored for Tee-Jay on a long pass from Jack. After a scoreless third quarter the Jeffs were out for blood in the fourth, with first Yarborough and then Denton scoring. George

Yarborough Is Downed

Washington's tally came in the last quarter after passing had netted them forty yards. Boteler tossed a pass to Chisholm for the score. The extra point was made.

Tee-Jay And Petersburg Battle To 0-0 Deadlock

Tee-Jay found it rough going against the strong Petersburg eleven. In the first quarter Paul Jack took a punt and ran it over, but the play was called back. In the second quarter the Jeffs were on the spot. Jack intercepted a pass, and Yarborough's punt was blocked and recovered behind

the goal by Petersburg; but a penalty also annulled this play. The rest of the game was a fairly even contest.

Presidents Edge Out Granby 14-13

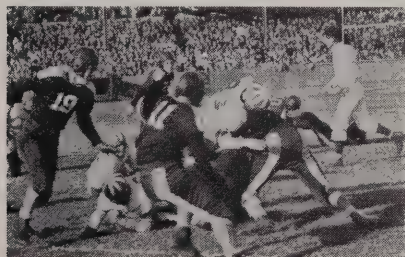

The Belt Liners barely triumphed over Granby of Norfolk. Granby first scored in the second period after an eighty-eight yard drive. Their second tally came in the third period when Ivanhoe dropped back behind his goal and shot a pass to Lee,

who scored. Lee also converted. Tee-Jay first scored in the beginning of the last quarter as the result of passes from Jack and Denton to Hungerford, with Jack running over from the two-yard line. Another pass set the score at 13-7. Jones, by stealing the ball from a Granby back and running forty yards, made the final score. Jack passed to Denton for the extra point.

On October 15 Thomas Jefferson crushed Hampton, 26-6. At the start of the game, Jack, taking a punt, broke loose and was stopped on the Crabber fifteen. Weinstein went to the eight and Jack went over. Later Jack scored again. Then Harland

intercepted a pass and ran it back to the visitors' twelve. Hungerford caught a pass for six points. In the third quarter Tee-Jay's passes carried the ball to the eight, where Jack heaved one for the tally. Hampton's only score was on a reverse by Marshall.

Thomas Jefferson Loses To Saint Christopher's

The Jeffs, minus two regulars, were unable to hold back the powerful Saints. All during the first period Tee-Jay held a slight edge. In the second quarter, Chewning, a Saint star, broke loose and ran seventy-seven yards to score. The next score came when Yarborough, rushed as he was passing, threw the ball to a Saint end, who scored. Saint Christopher's scored twice in the third period, on a pass and a run. The lone Tee-Jay marker came when Jack passed to Perkins on the two and Yarborough bucked over. Chewning tallied once more, making the score 31-7.

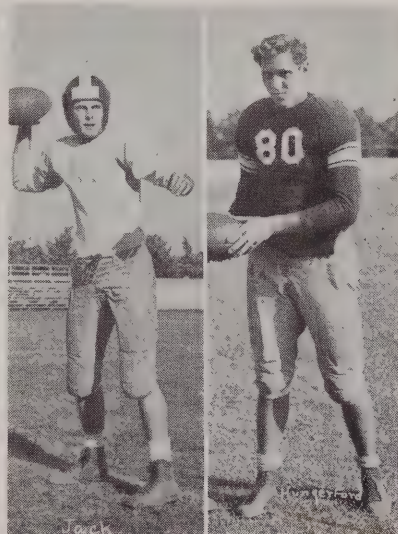

Belt-Liners Win Thriller From Roanoke 8-7

Thomas Jefferson displayed championship form in downing Jefferson Senior High. Roanoke's touchdown drive started on their thirty-four. Running the ball, they advanced to the Tee-Jay twenty-five. The ball was carried over by Callis and Evans. Callis kicked the extra point. Tee-Jay's safety came when Yarborough kicked out of bounds on the Magicians' ten. Musselman tried to kick, but Smith blocked the attempt and the ball rolled into the end zone for a safety. The Jeffs then started their touchdown drive, using the air and ground successfully, with Yar-

Five All-City: One All-Southern

In '43 the Belt Line Team placed its full share of stars on the mythical combinations, the All-City, All-State, and All-Southern elevens.

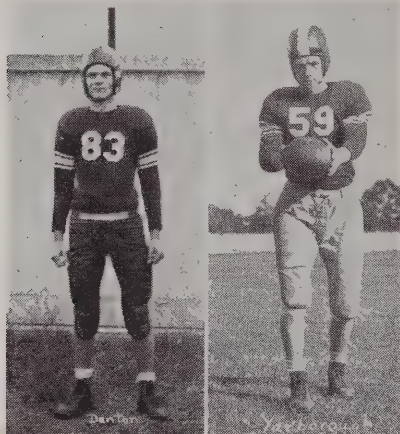

Taking first honors for Thomas Jefferson was Eugene "Yank" DuLaney, first string center on all three teams even though he was laid up for a while during the middle of the season with an injured collarbone. DuLaney was an all round good ball player. His speed and accuracy from center made possible many plays that otherwise would have failed, and his consistently outstanding defensive work stopped many dangerous threats.

Paul Jack, Co-Captain of the All-State eleven, filled an important slot in the backfield with his effective passes to Dick Hungerford at end. Jack's shift running helped greatly to make the 1943 pigskiners a fast working, Championship club.

his speed and incredible elusiveness accounted for much of the Jeffs' yardage. In addition to his All-State berth Jack was chosen for a position in the All-City back field.

Dick Hungerford, the Jeffs' six foot three pass-snagger, also figured prominently in the combinations of stars. Hungerford was awarded positions on both the All-City and All-State teams. Throughout the season he held up his end of the great passing combination, Jack to Hungerford. This seldom failing pair was the keystone of many Tee-Jay drives and gained much ground and many touchdowns.

Donald Smith received his share of the honors. Smith was chosen for both the All-City and the All-State combines. Smith's work at tackle, although it was not as sensational as some back field positions, was of equal importance. In doing his job he opened holes in the opponents' line and stopped their offensives with great skill and endurance.

Moreland Perkins, though his play was not as spectacular as that of Hungerford, made an excellent record at right end. For his work he was placed on the All-City team. Perkins was an excellent defensive man. He was in on every play and was after the ball like a streak if his opponents made a mistake.

orough bucking over from the two. The Magicians staged a last minute passing attack, which was halted on the Jeff's twenty.

The Jeffersonians romped over Benedictine on November 6 with a score of 36-12.

PRESIDENTS ELECT CO-CAPTAINS

Yarborough and Reidelbach bucked over for scores, Jack and Hungerford each intercepted a pass to score, Perkins recovered and carried over a blocked punt, Stoneburner scored a safety, and Weinstein and Lane made conversions. The Cadets scored on two passes.

Tee-Jay Clinches Championship: Defeats Hopewell 14-7

Thomas Jefferson licked Hopewell, 14-7, thus winning the State Class A Championship. Tee-Jay's first score came in the second quarter on a pass from Jack to Lane, who went over for the tally; Lane also made the extra point. The Blue Devils of Hopewell came back to score on a long pass from Futch to Brockwell. Jones converted. The Jeffs then scored on a pass with Lane again kicking the extra point. The game ended in the midst of a desperate passing attack by Hopewell with the Jeffs using a four-man line.

The members of the football squad, after playing nine games together, elected two boys whom they thought to be tops as co-captains for the last game and, honorarily, for the whole season. Albert Reidelbach and Paul Jack were chosen.

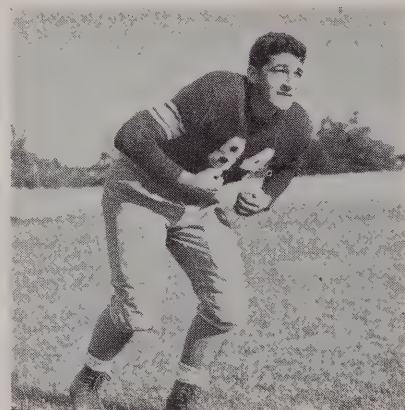

Reidelbach played a consistently hard, aggressive game at left tackle. On the defense he generally shifted to the backfield and there he did an excellent job of backing up the line. He started the first two games at fullback, showing a lot of drive, but Coach Carmack changed him back to his old position after the Petersburg contest, taking advantage of Yarborough's punting and passing ability in the backfield.

Jack not only was a great tailback, as skill goes, but was a fine morale builder on the field. Time after time when the boys were having mighty rough going and Jack was doing the bulk of the running, he bounded up from the heap of players with words of encouragement.

During the season Coach Carmack appointed a captain or co-captain for each game. DuLaney, Weinstein, Hungerford, and Yarborough were others who captained the team.

Tee-Jay Mentors Outstanding

Much credit for the victorious 1943 football season must go to our coaches, for they plotted the plays, recognized and im-

proved natural abilities, and created organization.

This was Coach Shelburne Carmack's second year at Thomas Jefferson as head coach of football. Starting in '42 with only two lettermen, he was handicapped in '43 by having only two regulars return. How-

ever, he took a lot of green but promising material and welded a team, well drilled in fundamentals, in top physical shape, possessed of excellent plays; the team which won the first State Championship gained by this school.

It was Coach "Hank" Noble's job to teach and help the Jeff forewall to master the all-important fundamentals of line play. Coach Noble got the best of results, as our line was unexcelled in Class A competition.

Coach Bloxson helped tutor the linemen, particularly the ends. He was very helpful also in teaching our opponents' plays to our second team, thus giving the regulars a forewarning of each game.

Taking care of the future of football at Tee-Jay was Coach Bob Kilbourne. He coached the sophomore team in valuable fundamentals, preparing them for the varsity.

BASKETBALL

The 1943-44 Basketball season has been the best Thomas Jefferson has yet seen. For the first time in the history of the school we won the State Class A Championship.

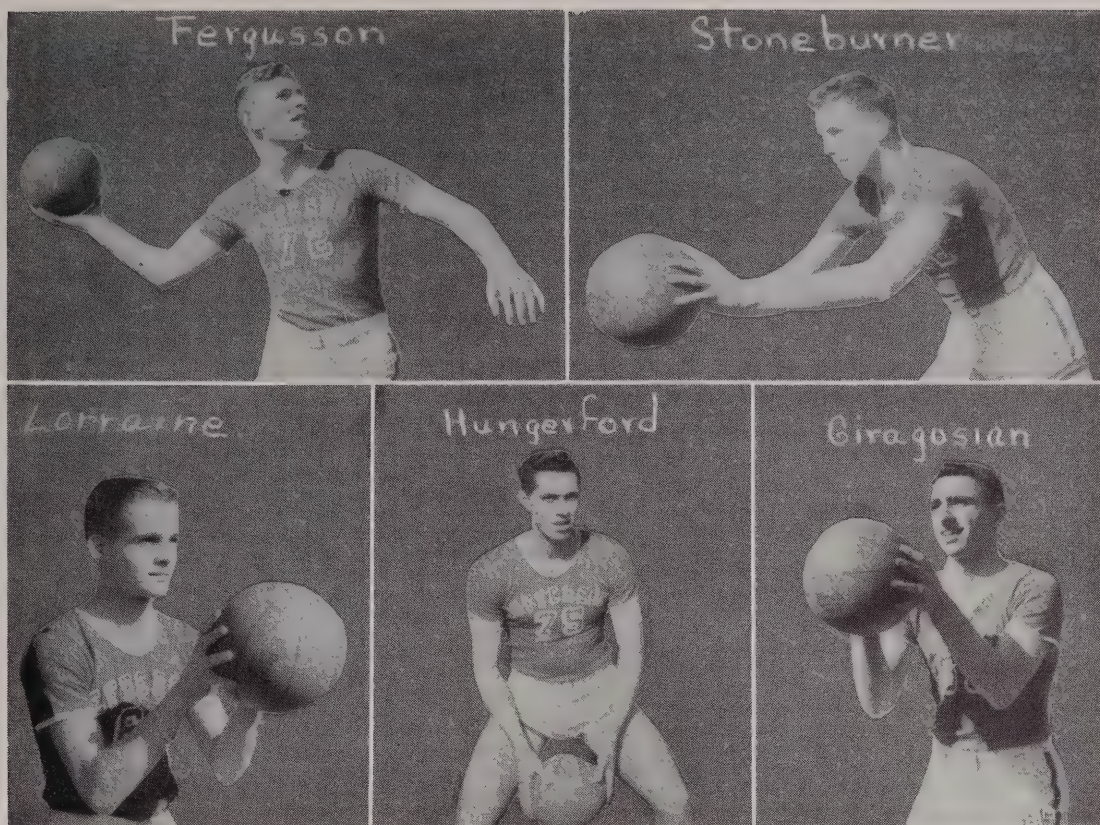

The Jeffs' powerful team went through a near-perfect season with nineteen wins to their credit against one loss to John Marshall.

Spearhead of the Tee-Jay attack at practically all times was Dick Hungerford. For the second time Dick won the Cy Slavin Trophy for foul shooting with sixty-one points. He also won the Hank Wolfe Trophy as most valuable player for the season. Alfred (Booby) Lane was second in the order of scoring with 142 points.

Fergusson's accuracy under the basket and effective defensive work helped to pull many games out of the fire. Co-Captain John Stoneburner played sterling ball all season; his smooth passing and footwork along with his presence of mind and effective leadership under fire was responsible for many of the points amassed by the Jeffs. Kemper Lorraine and John Giragosian were the other two regulars. Both were steady ball-handlers and consistently accurate goal-finders.

The varsity squad had a slow start but a fine finish. The scores were as follows: Collegiate and Westhampton College defeated Tee-Jay, 3-1 and 7-0, respectively. An exciting game with the Hockey Club ended with the Hockey Club 2 and Tee-Jay 0. These games were the

only defeats of the season. The only tie of the year was with St. Catherine — score 1-1. Tee-Jay defeated R. P. I., 4-0, and Petersburg twice, 3-0 and 6-0. The biggest thrill of the season came when Thomas Jefferson piled up the score of 4-0 against John Marshall. Pies were awarded for each goal made during the season. Geraldine Patterson was the biggest pie eater of the year and, incidentally, high scorer.

The second team was not as victorious as the varsity squad, but fine spirit and sportsmanship prevailed in all its games.

The following shincrackers won letters: Betty Rice, Mabelle Warner, Frances Burnette, Elizabeth Bolen, Tommy Scott, Jean Knott, Shirley Lutto, Virginia Richardson, Katherine Chewning, Elizabeth Brauer, Geraldine Patterson, Marianna Howard, and Margaret Wehner, manager.

Mrs. Frances Young's 1943 tennis team defeated Jayem's girls by a score of 5 to 0. They were not, however, quite so successful in playing St. Catherine, R. P. The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

LIFE INSURANCE
for Safety
and Security

A successful savings plan must provide a regular amount to be saved on a regular day for a specific purpose.

Life Insurance is the best plan yet devised to teach us the habit of saving and to keep us faithful to that habit. It is not an expense but a savings. It should be the first factor in everyone's program — the last to let go.

Life Insurance creates an estate immediately, which might otherwise never be acquired. Make sure of your estate by the purchase of life insurance while you are young.

Search the quotation books and you will find few, if any, remarks in praise of Poverty. Perhaps a "rich uncle" or some other ancestor addicted to thrift will take care of your needs for future financial independence. MEASURING SUCCESS

There is no hard and fast rule by which the success of an annual may be measured. The attainment of this ideal requires an alert and hard-working staff, good photographs and engravings, and a skillful printer sympathetic to and cooperative with the students' conception of a good annual. It has been our opportunity to produce successful annuals for many years.
